A Farewell From ACVREP's President, Sharon L. Mikrut

After much deliberation, I wish to inform you that I have submitted my resignation as President of the Academy for Certification of Vision Rehabilitation & Education Professionals, effective November 30, 2007. This was an incredibly difficult decision as I have the utmost respect for the Academy and its goal to assure high quality rehabilitation and education services for people who are blind or visually impaired.

The primary factor influencing my decision is a need to strike a balance between my professional and personal life. My siblings have moved closer to me and I'd like to spend more time with them and their families.

I have thoroughly enjoyed my tenure as ACVREP's President and feel positive about the contributions I have made. My life has been enriched by the professionals I have had the pleasure of working with in the vision rehabilitation and education field. I want to thank all of you for your hard work, dedication, advocacy, and professionalism, and wish you all the very best in the future.

Sincerely,
Sharon L. Mikrut
